ORDER

The examination report as filed, attached hereto as Exhibit A, and incorporated by reference, is hereby ADOPTED as the final examination report.

The Company is ordered as follows, these being the Instructions and Comments and Recommendations contained in the examination report on pages 1-6.

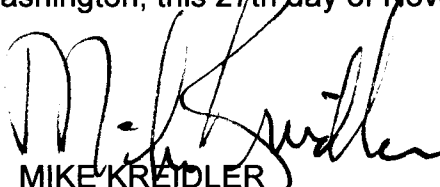

1. The Company is ordered to comply with RCW 48.31C.040(2)(c)(v) by including affiliate agreements in Form B; with RCW 48.31C.050(1) by disclosing the terms of those agreements in Form D; and, with RCW 48.31C.050(2)(d) by properly notifying the Commissioner prior to entering into management agreements, service contracts and cost-sharing arrangements with affiliates. Instruction 1, Examination Report, page 2.
2. The Company is ordered to document its compliance with RCW 48.31C.050(2), SSAP 25, paragraph 16, and SSAP Appendix A-440, by having the Company's Board of Directors follow all contract terms, by reviewing all agreements yearly, and documenting its review and approval in the BOD minutes or alternatively change the contracts to require management to document its review and approval. Instruction 2, Examination Report, page 2.
3. The Company is ordered to comply with RCW 48.44.050 and WAC 284-07-050 by keeping accurate records and maintaining adequate controls, by creating written procedures for premium billing and collection, and by ensuring that the procedures are being followed. Instruction 3, Examination Report, page 3.

4. The Company is ordered to comply with RCW 48.44.040 which states, "No registrant shall change any rates, modify any contract, or offer any new contract, until he has filed a copy of the changed rate schedule, modified contract, or new contract with the insurance commissioner" and WAC 284.43.920(a) which states a carrier is required to file every contract form and any modification thereof, and every rate schedule and any changes thereof before being offered to the public. Instruction 3, Examination Report, page 3.
5. The Company is ordered to follow the NAIC Annual Statement Instructions and the NAIC Accounting Practices and Procedures Manual as required by the Commissioner under RCW 48.43.097 and WAC 284-07-050 by settling intercompany receivables and payables separately with each company in the group as required by SSAP No. 64, paragraph 2.
